

The background is a solid red color with a complex pattern of white geometric lines. These lines form various shapes, including triangles, rectangles, and zig-zags, creating a sense of depth and movement. There are also several small white plus signs scattered throughout the design, adding to the technical or architectural feel.

TARGA

The background is a solid red color with various geometric patterns. There are several thin, light red lines forming zig-zag and chevron shapes. Some lines are thicker and more prominent. There are also small white symbols: a vertical line of five crosses in the upper left, a vertical line of five crosses in the lower left, and a small white dot in the upper left. The word "TARGA" is centered at the bottom in a white, bold, sans-serif font.
